Professional Summary

Detail-oriented Bachelor of Technology (IT) graduate with strong skills in Python, Java, SQL, and database management. Experienced in academic projects and internships, with a solid foundation in software development and data structures. Eager to learn new technologies and contribute to innovative IT solutions in a dynamic work environment.

Skills

OS: Windows, Linux

Languages: C++ | React | Python | NodeJs | JavaScript
Databases: MySQL| MongoDB
Tools: Power Bi | SQL | Tableau | MS-Excel

Project:

- **Movie Review App | Web Application:** Developed a Movie Review Web Application using the MERN stack (MongoDB, Express.js, React, Node.js) over 4 months. The app allows users to browse movies, post and read reviews, rate films, and manage user profiles with authentication, responsive design, and real-time data handling for an engaging user experience.
- **Food Ordering App | Web Application:** Designed and developed a responsive Food Ordering Web Application using the MERN stack (MongoDB, Express.js, React, Node.js) over 4 months. The app allows users to browse restaurant menus, add items to the cart, place orders, and manage their profiles with secure login, real-time updates, and an intuitive user interface.
- **Music App | Developer:** Developed a responsive Music App using HTML, CSS, and JavaScript over 2 months. The application allows users to play, pause, and navigate songs with an interactive UI, playlist management, and dynamic audio controls, providing a smooth and engaging music streaming experience on web browsers using Visual Studio Code.

Education:

Graduation: Bachelor of Technology | IT | Punjab Technical University
Intermediate | Central Board of Secondary Education | Kendriya Vidyalaya | 74%
High School | Central Board of Secondary Education | Kendriya Vidyalaya | 77%

Certifications:

- AWS Academy Cloud Foundations | AWS | Apr,2022
- Object Oriented Programming in C++ | Infosys | Nov,2021
- Python Technology | Solitaire Infosys | Aug,2022
- MERN Stack | Skill Stone | Apr,2024
- Data Visualization with Power Bi | Great Learning | Jul,2024
- Introduction to Career Skills in Data Analytics | LinkedIn Learning | Jun,2024

Achievements:

- Smart India Hackathon | 2022
- Maruti Suzuki XCLerate | 2023
